

CAMESE Mining Marketer's Update

August 10, 2010

10th International Mining & Machinery Exhibition – (IMME)

November 10 – 13, 2010 Kolkata, India

IMME 2010

Why is IMME so important ?

IMME is the largest and most eagerly awaited mining event in India.

Kolkata is one of the most important mining hubs in the country.

The Confederation of Indian Industry (CII) and the Indian Government are bringing all key players together at IMME.

Who will be there ?

All major mining countries are already confirmed with large pavilions.

360 exhibitors of which 65% are from outside India. Suppliers of mining equipment, earth-moving, accessories, services providers.

15,000 visitors from mining companies, engineers, contractors, end users.

How attractive is India ?

Growth rate of mining industry is forecasted at 5.1% annually till 2015.

New Mineral Policy Reforms are opening up opportunities for foreign investors and mining suppliers.

Forecast for mining equipment is US\$18 billion in the next 5 years.

! Ontario companies are offered a unique value-added package by the Ontario government and the Ontario Chamber of Commerce when exhibiting at IMME
